Appendix: Audited Financial Statements & Footnotes:

Note 4 (EBITDA Reconciliation):

The adjusted EBITDA figure of \$18.0M cited in executive materials includes non-standard pro-forma capitalization of routine software maintenance (\$4.5M) and speculative vendor rebates (\$2.3M).

Audited GAAP EBITDA for FY2023 is confirmed as \$11.2M.

Investors must rely on audited figures rather than non-GAAP management presentation summaries.
